B. CLARIFICATIONS

The Department of Budget and Management–Procurement Service Bids and Awards Committee III (BAC III) hereby clarifies the bidder’s concern/query:

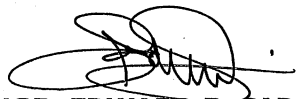

ITEM	CONCERN	REFERENCE	CLARIFICATION/ RESOLUTION
VIBAL GROUP			
1	<p>Xxx</p> <p>We were unable to file our annual tax returns via EFPS due to system downtime at the time of filing thus our 2018 tax returns were filed manually (please see attached). We have proof substantiating system downtime and our inability to file via EFPS. Will our manually filed tax returns be acceptable given that we could not use EFPS under circumstances beyond our control? Attached is the proof of the error encountered in the system.</p> <p>xxx</p>	<p>Bid Data Sheet Page 44 29.2 No licenses and permits required</p>	<p>Original requirement for Post Qualification will remain.</p>
2	<p>xxx</p> <p>The BIR cannot issue a tax clearance in time for the bidding. They will instead issue a certificate attesting to full payment of all taxes due and that the processing of the actual certificate of tax clearance is in progress. Will the said certificate be acceptable to the BAC, again given that we have complied substantively with all BIR requirements for tax clearance and that only the actual certificate is being processed and may be ready in time for post-qualification, should we qualify as LCB?</p> <p>Xxx</p>	<p>Bid Data Sheet Page 44&45</p>	<p>Please see amendment part of this bid bulletin on page 1.</p>
3	<p>xxx</p> <p>We would also like to raise the query if the paper requirements could still be amended from book paper 70 gsm to book paper 60 gsm. We had our existing sample of book paper 60 gsm tested at the</p>	<p>Technical Specifications Pages 106-116</p>	<p>Original requirement for Technical Specifications will remain.</p>

For the purpose of this Bulletin and for better understanding of its contents, the following rules shall apply: (a) ~~Double Strike out~~ – denotes deletion; (b) Underline – denotes inclusion or new item/requirement; and “xxx” – denotes separation of phrase/s being amended from the rest of the main text.

	<p>DepEd accredited laboratory. The results are attached to this letter. Based on the results, book paper 60 gsm is compliant with the required tolerance levels for opacity and brightness to ensure quality printing. There is no appreciable difference between 60 gsm and 70 gsm except for basis weight in terms of printing quality. Private school textbooks in the Philippines are printed on standard book paper 60 gsm.</p> <p>xxx</p>		
--	--	--	--

The herein amendment forms an integral part of the bidding documents. Correspondingly, all other provisions in the bidding documents affected by this amendment is similarly amended or modified.

The clarification made explains in greater detail the purpose or intent of the requirement and does not amend that particular provision in the bidding documents.

ENGR. EDWARD R. SADDI
Chairperson, Bids and Awards Committee III
