The Supplier warrants that the Goods supplied under the Contract are new (unused), and that they incorporate all recent improvements in design and materials (latest models), except when the technical specifications required by the Procuring Entity provide otherwise. The Supplier warrants the timely delivery of the items. Any delay or failure to deliver may result in termination of the contract and blacklisting of the entity.
2. The Supplier further warrants that all Goods supplied under this Contract shall have no issue or defect arising from the design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.
3. In order to ensure that any manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier for a minimum period of three (3) months. The obligation for the warranty shall be covered by, at the Supplier's option, either retention money or a bank guaranty in an amount equivalent to at least one percent (1%) of every progress payment. If the latter is opted, the same shall be submitted three days upon the conclusion of negotiations and before the issuance of the Notice of Award and Contract Agreement.
