**Positive Comments:**

- Mr. R. Nacario is very accommodating, with patience and always respond to our queries. Mabuhay po sya.
- For inspection division – all staffs are very kind, accommodating and good service.
- Security good performance.

**Needs Improvement:**

- "Pakibilisan ang process/serbisyo".
- Needs improvement on GFA billing statement.
- "Mainit sa waiting area."
- "Mabagal mag provide ng data sa accounting. "Feedback form walang date and signature, cannot read, provide more presentable customer form".
- "Napakabagal ng service from 10:40am - 2:30pm, almost 4 hours. Sobrang bagal. Napakadami ng employees pero wala namang kwenta".
- "Normal ba na pag pick-up ang pinili namin for items, 3-4 hours kami mag aantay? Ang rason pa madami daw tao. Obviously maraming tao pero sa sobrang tagal ng pag aantay namin, wala na kaming magawa sa office. Sana mabago nyo yang system nyo."
- "Masyadong mabagal ang ASD".
- We arrived at DBM reception at 10:00AM. Then delivery receipts were processed at 11:45AM for payment. We were called for payment at the cashier at 12:20PM. Official Receipts (one for pick up of 120 reams legal size bondpaper and another for the items to be delivered to Lung Center of the Phils.) were issued 12:30PM. We waited for the call for the pick-up of bond paper from the warehouse til 12:40PM. With this kind of transaction - very long time of waiting, nobody will be satisfied with this kind of service. I suggest you review your Citizen's Charter to shorten your processing time. Thank you.
- Almost 2 hours waiting.
- Poor parking; poor service.
- Four hours kami nag wait for our papers to be processed. Lumabas DRs after 4 hours, tsaka pa lang malaman na konti lang available. My goodness ayusin nyo yan.

**Suggestions:**

- Sana po until 5pm mag receive pa sila ng APR. I arrived 4:45pm pero ayaw ng tumanggap ng APR. Hirap po kasi ng availability ng vehicle sa office then na traffic po kami tapos cut off time. Kung may cut off time sana po mainform kami.
- Can you bring back ballpen in your items po?
- Please check and update your website daily. Nag check po kasi kami ng items before pumunta sa office nyo then wala din pala available. Hassle sa mga nagwi withdraw ng items especially galing sa malayo.
- Please provide seminar for further understanding of VS. Thank you. (2)
- More stock please.
- Area is far away from Quezon City. Consider having branches. Products and choices are limited. Very bureaucratic process. Take an hour for the transaction to be completed.
- Pwede po ba na pag wala ng stocks (pero meron sa LCSE) ay mapalitan na lang ng ibang items para wala ng balance at hindi na kami pabalik balik dito para lang doon. Ang mahalaga naman di ba ay ma consume namin yung amount.
- Paki update po ng quantity at unit price for LCSE. Ang ina update lang po ay yung dates. Mahirap kasi pagdating namin sa PS iba na yung presyo o kaya wala ng stocks.
- Please inform us if there are trainings to VS implementation. We attended the first training few years ago but the said program was stopped, that is why we order again manually and no reservation for our order. I am very happy if the program will be implemented. We can now order online and pay on bank near our office and especially our orders are reserved.

- I would like to commend the efforts and patience of Ma'am Magie Mendoza for assisting us in the uploading of APP-CSE. Ma'am may have been very calm and professional despite the demand of clients. - DTI BATANGAS
- We were advised to get our purchased good from the releasing area and yet the DR was not yet ready and we hired a Grab. We paid the Grab but the releasing area let us wait for almost 2 hours. Napakabagal ng serbisyo. - ANONYMOUS
- Pakidagdagan naman ang releasing area nyo. Napakatagal sa totoo lang. - ANONYMOUS
- Please add personnel on cashier because the service is too slow. TUGATOG NHS
- Bring back the retail store. Thank you. - QUEDAN
- Improve your queuing system. - NHA
- Please improve the timeliness of service. - NHA
- I would like to suggest na ibalik nyo yung dating system na separate yung shopping those who will purchase below P50,000. We just pick the goods we want to shop at your store. Ang bilis pa. Unlike now sobrang tagal we spent 5 hours waiting to be called bago makuha at pipila ulit sa warehouse. Sobra pag tagl mag antay sa window 1 and 2. Havoc po sobra. We are busy people. Implement a new system. - DEPED Manila
- Ano po bang ginagawa pag resesibo. Bakit #3 bago ako matawag. Ano ba yon bakit ang tagal? - Anonymous
