DISCUSSION

I. BID DOCUMENTS

BID DATA SHEET (BDS)

BDS Clause 29.2

- Certification of 24/7 on-site technical support services
 - The Chairperson explained that there is no need to provide proof of address of the technical support offices.

- Possesses at least five (5) of the following standards or its equivalent:
 - EN 61010-1 (2010) FCC Part 15 (2013)
 - EN 61326-1 (2013) IEC 60529 (2004)
 - KN 61000-6-2 MIL-STD-810G
 - KN 61000-6-4

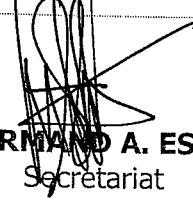

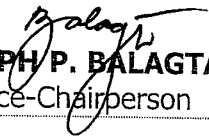

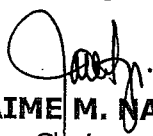

- A prospective bidder inquired if they can submit American standards equivalent. The BAC answered that prospective bidders may submit equivalent standards provided they also provide proof/s to establish the same.

- Certificate of authorized or exclusive dealership issued by the Manufacturer.
 - The BAC explained that the certificate of authorized or exclusive dealership shall be required only for the metal crack detector.

- Certification issued by the Manufacturer or Authorized Dealer accompanied with verifiable proof that the brand being offered has been in the Global Market for the last ten (10) years
 - The BAC explained that the requirement is for both the metal crack detector and the towed dual rail track inspection system. Thus, two certifications shall be submitted together with the corresponding proofs.
