Standard warranty provisions apply:

1. The Supplier warrants that the Goods supplied under the Contract are new (unused), and that they incorporate all recent improvements in design and materials (latest models), except when the technical specifications required by the Procuring Entity provide otherwise. The Supplier warrants the timely delivery of the items. Any delay or failure to deliver may result in termination of the contract and blacklisting of the entity.
2. The Supplier further warrants that all Goods supplied under this Contract shall have no issue or defect arising from the design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.
3. In order to ensure that any manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier for a minimum period of three (3) months from acceptance of the goods. The obligation for the warranty shall be covered by, at the Supplier's option, either retention money or a bank guaranty in an amount equivalent to at least one percent (1%) of every progress payment. Failure to submit the bank guaranty shall automatically revert the warranty security to the option of retention money.
4. The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall, within the period specified and with all reasonable speed, replace the defective Goods without cost to the Procuring Entity.
5. In case of foreign suppliers, the Procuring Entity shall be allowed to deduct twelve percent (12%) Value Added Tax (VAT) charged by the Philippine Government from the purchase price and one percent (1%) Warranty. In the event that the Supplier or the Procuring Entity is deemed exempted from the payment of VAT, the amount will not be refunded to the Supplier. Instead, it will be reverted to the Procuring Entity's appropriated funds specific to the project.
6. In case of local suppliers, the Procuring Entity shall be allowed to deduct five percent (5%) Final VAT, one percent (1%) Expanded Withholding Tax and one percent (1%) Warranty.
